

SC-SCOUT

STONEY CREEK – SCOUT

If you love camping and outdoors but don't want to leave the luxuries of a solid roof, a large bed or a shower and toilet at home, then look no further than the Stoney Creek SC-Scout. Powered by a RedArc battery management system, constructed with an extremely tough welded aluminium box section frame and finished with a fully galvanised sheeted floor perfect for all terrains. The SC-Scout not only looks great but is designed to take on the toughest tracks our amazing country has to offer.

» FEATURES

EXTERNAL KITCHEN

With an updated external kitchen design, the SC-Scout is equipped with slide-out SMEV 3 burner, hot or cold sink combination, pantry slide and offside additional storage areas.

CAFÉ DINETTE

The interior of the SC-Scout features a spacious café styled dinette seating area with swing away dining table for when not in use and generous overhead cabinetry.

INSIDE KITCHEN

Inside the SC-Scout you will find large amounts of cupboard and drawer space, built-in sink and food preparation area to suit a wide range of families and camping situations.

COMFORT

Comfort is taken care of with a spacious king sized bed and innerspring mattress for the ultimate in style and comfort that will make you feel completely at home.

WATER TANK

Twin 100L stainless steel tanks provide water storage and checkerplate guards provide substantial protection during off-road travel.

ENSUITE

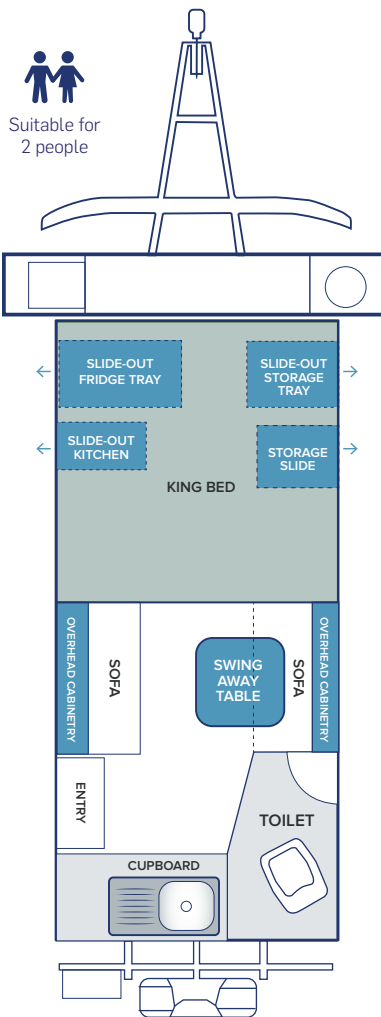

The SC-Scout layout integrates a shower and toilet (Thetford) to the internal layout, perfect for ensuring you remain fresh during your adventures.
