

# XL-FF

## LIGHTWEIGHT FORWARD FOLD

The Lightweight Forward Fold (XL-FF) is Stoney Creek Campers latest and most innovative model yet. This forward fold camper is perfect for quick getaways as it is light weight, easy to setup and can be towed by small to medium SUVs and Sedans. The XL-FF has all the advantages and comforts of the forward fold concept but with a light tare and tow ball weight.

### » FEATURES

#### SUSPENSION

Independent suspension with shock absorbers, coil springs with 10" heavy-duty electric brake assist setup and handbrake. This lightweight camper will make travelling Australia a complete breeze.

#### 4 SEAT DINETTE

Featuring a modern interior layout with a spacious 4 seat dinette, cushioned seating and a drop table which converts to a second bed area.

#### KITCHEN

Camp cooking in style with a slide-out kitchen including a SMEV stove with protective glass top, stainless steel sink, 12V pump, tap and storage.

#### COMFORT

The interior of this lightweight model features a queen sized bed with a generous 90mm thick mattress. You will enjoy a fantastic night sleep wherever your travels take you.

#### WATER TANK

The XL-FF is equipped with a 100L stainless steel water tank with aluminium tank guard to protect you during your on road adventures.

#### STORAGE

Never run out of storage space, the XL-FF features storage compartments on both sides of the camper with large and small slide-out drawers.
